Painted Finishes

Water Resistant Floors All sink base and sink base vanity cabinet floorings are powder coated for water resistance and extra durability.

Maple Hardwood face frames are 3/4" thick and 1 1/2" wide kiln-dried hardwood. Frames are assembled under pressure with screws for maximum strength.

Standard 1/2" Back and Sides are upgradable to plywood construction. Cabinet sides are light maple interior with designated laminate exterior.

Printed colors are for representation only. Order samples for accurate color matching. © 2018 Smart Cabinetry® www.smartcabinetry.com/browse.php 70680 County Road 23, New Paris, Indiana 46553
See our disclaimer for painted wood in our 2018 specifications guide for more information about special finishes.

Standard Features

5/8" solid dovetail drawer features four sided construction and captive 1/4" matching laminate bottom.

Powder Coated Shelves offer extra durability. High water, scratch, stain, and temperature resistances.

6-way Adjustable Hinges are self-closing and concealed within the cabinet door and frame.
